

How to use Kasuria / Approach #1

FROM STRATEGY TO METRICS

How to use Kasuria / Approach #2

FROM METRICS TO STRATEGY

I have a strategy in mind.
I need data and a tool to simulate my strategy and **get metrics** as a result.

DeFi-level: **expert**

Crypto/FinTech Startups, DAOs, Private Investors

TradFi-level: **expert**

DeFi-level: **beginner-intermediate**

Traditional Asset Managers & Banks

I have metrics in mind.
I need data and a tool to **find a strategy** that will deliver my desired results.
